Subject: Invitation to a Meeting on Collaboration with BLDCL

Dear Sir/Madam,

Bhutan Livestock Development Corporation Limited (BLDCL) would like to invite you to a meeting to discuss potential areas of collaboration between BLDCL and meat vendors in Thimphu.

As BLDCL continues to strengthen its role in the aggregation, processing, and distribution of meat products, both raw and value-added, we believe closer engagement with meat vendors will help ensure a more reliable and mutually beneficial supply relationship. This meeting is intended as an open discussion to hear your perspectives and share BLDCL's current plans and initiatives.

Date	28 August 2026 (Friday)
Time	10:00 AM – 1:00 PM
Venue	BLDCL Conference Hall

Discussion points will include:

- BLDCL's current and planned supply of raw meat (pork and chicken) and value-added products;
- Opportunities for closer coordination on volumes, scheduling, and delivery;
- Feedback and concerns from meat vendors on working with BLDCL; and
- Next steps towards a more structured, collaborative relationship.

We would be grateful if you could confirm your attendance, or nominate a representative, at your earliest convenience. Please feel free to contact Dorji Khandu (+975 17705224) should you have any questions ahead of the meeting.

We look forward to a productive discussion and to working more closely with you.

Yours sincerely,

Shankar Chhetri
